January 11, 2024

Grants

Community Giving

Agenda

- Welcome and Introductions
- Funding Overview
- 2-Year Transition Update
- Announcements
- Procedures & Next Steps
- FAQs

Our History

The Beginning:

- 1938 – Community members appeal to the city council of Redwood City and vote for a hospital to serve southern San Mateo County
- 1949- Construction of Sequoia Hospital begins

A New Era:

- 1996 – Sequoia Hospital management is switched over to Catholic Healthcare West, now Dignity Health
- The Hospital District was renamed the Sequoia Healthcare District
- Present - SHD will remain vigilant in our mission to improve access to services, reduce health disparities and support the well well-being of all District residents through strong community collaborations, a new three- year strategic plan, and a focus on serving the most vulnerable members of our community.

Who We Are

Mission: Sequoia Healthcare District is committed to improving the health of District residents by enhancing access to care and promoting wellness through responsible stewardship of District taxpayer dollars.

Vision: Our Vision is for all District residents to experience optimal physical and mental health at every stage of life.
